**Competition season beginning in September**

The need for members and volunteers will be in urgent demand to help on competition days – the roster is made up with members in an alpha format, unfortunately we have not had a good response with members turning up to do their roster duty. I was questioned last season why some people saw their names a second time around, reason was, I ran out of names and had to begin again, It would be good not to have to repeat. we need people to help run the competition ,so if all did their turn it would be wonderful. You will notice , members from outer Brisbane region are not of Roster duty, **BUT** please if you are able to come and help out , just turn up , you will more than welcome and certainly **NEEDED**

We are calling on any members or family or friends who could assist with the following roles:

STARTER

MEET MANAGER - SIGN IN TABLE ( this is to take ground fees and to ensure all sign in)

Ideally the above roles would be a person who does not compete

If you require further information about officiating , please contact judy
